

VISION

To develop among youth, qualities like-leadership entrepreneurship and service to community and inspire them to reach higher levels of achievement

MISSION

Our Mission is to build safer, healthier and productive communities of young people capable of supporting Self-directed growth and positive citizenship

APPROACH

We Facilitate exchange of resources, opportunities and competencies between businesses, communities through public-private partnerships that contribute to long term sustainable livelihood development benefiting the difficult-to-reach sections of young people.

The GMR group is one of the fastest growing private sector organizations in the country with infrastructure as its core business. Founded in 1978, by a great philanthropist and prominent industrial icon in India, Mr. G.M.Rao. The Group is well diversified and professionally managed. It has business interests in energy, airports, and national highways and manufacturing sectors. The group has established the GMR Varalakshmi Foundation, which supports various vocational (NIRED) and educational institutions (GMRIT, Sri G.C.S.R College, Sri G C S R Junior College, Sri G.C.S.R College of Education, GMR Varalakshmi DAV Public School, Seeta Mahalakshmi DAV School)

Sri G.C.S.R College

GMR Varalakshmi Foundation has established Sri G.C.S.R College in the year 1993 at Rajam. Education is the key to complete development of an individual. Sri G.C.S.R College was infact started with this vision. The vision was to excel academically and compete with various institutions in the urban areas. The vision was to nurture and prepare the rural youth for promising career opportunities in the fast growing fields of Science, Technology, Administration Commerce and many more. The college campus is located in calm and serene surroundings. The college has spacious buildings, well-equipped laboratories and well stacked library. The college is affiliated permanently to Andhra University and Registered under 2(f) & 12(b) of the University Grants Commission, New Delhi.

The college aims at moulding its students into successful citizens. Students are trained to equip themselves with competencies necessary for success in the global market place. The college has a rigorous academic coursework and innovative programs for personality development. The institution also strives to deepen the student's commitment to social values.
